THIS IS A ONCE IN A LIFETIME OPPORTUNITY!

The award winning **GATTI-TOWN** was custom-built from the ground up approximately six years ago at a cost of more than \$6 million. No expense was spared in the development and purchasing of amusement assets and full-service restaurant and support equipment. Everything was purchased new, has been well-maintained and is immaculate. Now, since the real estate and building have been sold, everything inside — all amusement, restaurant and support equipment will be sold in lots at auction to the highest bidder — *regardless of price!* Go to www.superauctions.com for detailed photos and to request a brochure.

The **STATE-OF-THE-ART GAME ROOM** area covered over 16,000 sq. ft.

All equipment is in like-new condition including:

- Full-size 14-Horse Carousel (\$175,000+ new)
- RDC 10-unit Bumper Car System (\$110,000+ new)
- Laser Stars 8-station Shoot Out at the Corral (\$150,000+ new)
- Tons of late model equipment in multiples, including Drivers, Pinballs, Kiddie Rides, Redemption, Cranes, Midway-style Games, Support Equipment — **WAY TOO MUCH TO LIST IT ALL!**

100's of **RESTAURANT** and **SUPPORT EQUIPMENT** items from the full service restaurant and pizza eatery will also go to the highest bidders. All equipment is in excellent condition and ready to operate.
