

EASYVIEW PHONO TITLE STRIP CONVERSION KITS

WICO's new EASYVIEW title strip panel will stimulate business and thus increase profits, by displaying all 100 and 200 record selections in easy-to-read form. All service problems encountered with drums or pages are completely eliminated. The EASYVIEW title strip panel can be installed easily on location - without any special tools. Your choice of a STRAIGHT, CURVED, or V-SHAPED CONCAVE panel at WICO's usual low prices. Title strips are easily inserted and removed. Complete installation instructions are furnished with each kit.

EASYVIEW FOR ROCKOLA 160 SELECTION KIT

Is uniquely styled and has a highly polished chrome frame. Fits Model 1475 machines that are originally 200 selection units but, because of space limitations, only 160 selections can be shown simultaneously. All 160 selections can be read easily. Title strip holders are translucent white plastic.
